

Section 2.10.5, Recreation Facilities

Adopted: 2-14-07

(Applies to Lazanja, Hacienda Sur, Posada, and Custom Homesites)

2.10.5 Recreation Facilities

Recreation facilities such as play equipment areas and tennis courts must be screened and not visible from offsite. Night lighting of private tennis courts is not permitted. Permanent basketball backboards and or goals must be adequately screened from off-site views with building mass or landscape elements. Recreational facilities and equipment must be finished in colors compatible with surrounding structures and the requirements of Section 3.5.10 of the Design Book. No large areas of bright colors will be allowed. Structures should be made predominately of natural materials.
